ANNUAL REPORT

Town of Center Harbor,

New Hampshire

NORTHERN HAWK OWL
Picture courtesy of Fred Tyrrell

Center Harbor has had a rare visitor - the Northern Hawk Owl, which lives in the boreal areas across Eurasia and North America and breeds from Alaska to Newfoundland. People from all over the Eastern United States have come to Center Harbor to see and photograph this owl, which is referred to as a "Life Bird", the first ever seen by many people.

For Year Ending December 31,

The 2008 Center Harbor Annual Town Report is dedicated to the citizens of our Town who have volunteered countless hours of their time to help make our community such a wonderful place to live. These volunteers share their time and talents with great enthusiasm and without fanfare and recognition. Many have been serving for years. We honor these volunteers with sincere gratitude. Thank you all!

"It is one of the most beautiful compensations of life, that no man can sincerely try to help another without helping himself."
-Ralph Waldo Emerson

TOWN OFFICERS
2008

Moderator	John P. Kimball II
Town Clerk	Sheila Mohan
Town Treasurer	Jeannie L. DeGrace
Collector of Taxes	Ellen D. Burns

Selectmen

Randy J. Mattson	Term Expires in 2009
Charles G. Hanson	Term Expires in 2010
Richard G. Drenkhahn	Term Expires in 2011

Trustees of Trust Funds

Diane Drenkhahn	Term Expires in 2009
Peter Michaud	Term Expires in 2009
Joseph Hulkow	Term Expires in 2010

Library Trustees

Elected by Town:

Bess Hanson	Term Expires in 2009
Karin Karagozian	Term Expires in 2009
Helen Heiner	Term Expires in 2011

Appointed by Board of Selectmen:

Sarah Heath	Term Expires in 2010
Josephine Morse	Term Expires in 2010
Charles DiCecca, Alternate	Term Expires in 2010

Supervisors of the Check List

Ingrid Smith	Term Expires in 2010
Bess Hanson	Term Expires in 2012
Frances Secord	Term Expires in 2014

Town Departments

Jeffrey Haines — Term Expires in 2009

TOWN OF CENTER HARBOR
TOWN MEETING
March 11, 2008

Ballot Clerks Barbara Lauterbach and Jean Whatley were sworn in and it was announced that the time for accepting absentee ballots would be 1:00 P.M.

The March eleventh, two thousand and eight Town Meeting was called to order at ten of the clock in the morning by Moderator John Kimball II, who announced the polls to be open to act upon Article 1.

At 1:00 P.M. the absentee ballots were accepted. The polls were closed at 6:00 P.M. and the ballots were tallied.

Article 1-A. All town officers and school board members for the year ensuing were voted on, with the following results:

Selectman for 3 years:	
Richard Drenkhahn	134 votes
Scott Davis	6 votes
Bonnie Burgess	1 vote
Allan Whatley	1 vote
Treasurer for 1 year:	
Jeannie DeGrace	128 votes
Jessie Foley	6 votes
Everett Bennett	1 vote
Tax Collector:	
Ellen D. Burns	113 votes
Jeannie DeGrace	40 votes
Town Clerk:	
Sheila Mohan	147 votes
Mary Richardson	1 vote
Janet Kimball	1 vote
Trustee of Trust Funds for 1 year:	
Diane Drenkhahn	134 votes
Robert Murphy	1 vote
Library Trustee for 3 years:	
Helen Heiner	147 votes

Moderator for 2 years:

John P. Kimball II	149 votes
John Schoenbauer	5 votes
Jonathan Halsey	1 vote

Supervisor of the Checklist for 6 years:

Frances R. Secord	142 votes

Moderator for the School District for 1 year:

Lee Quimby	145 votes
Lee Mattson	1 vote

Member of School Board for 3 years – Member-At-Large:

Richard Hanson	151 votes
Cindy Reid	1 vote

Member of School Board for 2 years – Resident of Center Harbor:

Anthony Candage	140 votes
Carol Baggaley	1 vote

Member of School Board for 3 years – Resident of Sandwich:

Howard Cunningham	130 votes

(Submitted by Petition) Shall we adopt the provisions of RSA 40:13 (known as SB2) to allow official ballot voting on all issues before the Inter-Lakes School District on the second Tuesday of March?

62 YES Votes 88 NO votes 10 Non Votes

Article 1-B. To see if the Town will vote to adopt Amendment 1-B as proposed by the Planning Board, for the Town Zoning Ordinance, to amend Section 5:3:1 Structure Setbacks to read as follows: Certain structures shall be permitted by Special Exception within the shorefront setback. These include gazebos, and screen houses not to exceed one hundred fifty (150) square feet of footprint and ten (10) feet in height. Storage structures (i.e. sheds) shall not exceed eighty (80) square feet of footprint and eight (8) feet in height. No structure of these types shall be allowed within twenty (20) feet of the shoreline. (This change is being proposed so the Zoning Ordinance will conform to State Regulations).

130 YES votes 19 NO votes

At 7:45 P.M. the Town Meeting was reconvened in the Fire Station to act upon Articles 2 through 32. The Moderator, John Kimball II, called the meeting to order with the Pledge of Allegiance. Mr. Kimball then announced the results of the election. At this time on behalf of the Town of Center Harbor, Mr. Kimball thanked Scott Davis for six years of service as a Selectman, Richard Drenkhahn for operating the sound equipment for so many years, to our Law Enforcement Officials for keeping peace, to the Public Works Department for the preparation of the voting areas and parking areas, to the Fire Department for setting up the chairs, and to all the Election Officials so we have a free and official election. Mr. Kimball asked that we remember all of the young people who are servicing in the military and to take a moment to remember Barbara Benoit.

Mr. Kimball asked if there were any petitions for secret ballots. At this time Kent Warner made a motion, seconded by JoAnn Wood to combine articles 7, and 13 through 27. Mr. Warner then asked to table this request so that those present could think about and review these articles. The motion was tabled.

Article 2. It was moved by Charley Hanson and seconded by Scott Davis to raise and appropriate $660,199 to defray the Town Charges for the ensuing year. The vote was unanimously in favor.

Article 3. It was moved by Randy Mattson and seconded by John Schoenbauer to raise and appropriate the sum of $60,000 for the removal of any structures or other features of land that are a clear and present danger to the health and well being of the citizens of Center Harbor. David Schimke asked if this is referring to the paragraph on page 16 in the Annual Report, regarding the Sheafe Harbor House and if it is what is the status. Randy Mattson explained that during the past year the town has been making every effort possible to eliminate the hazard that Sheafe Harbor House posses to the neighboring properties and the community at large. Dangers that have been increased over the years as the property has lapsed into disrepair, dilapidation and disuse. In January the Town and the mortgage holder of the Sheafe House property, Marion Hurley, delivered to the Belknap County Superior Court an agreement which constitutes a "good faith" attempt by the Hurleys and the Town to resolve the problems and the issues of the case. Included in this agreement is the intent of the mortgage holder to foreclose on the property, after which the Town will assist the Hurleys with the clean-up of the site through a secured loan with interest. The role of the Town is to eliminate from the community all present and potential dangers created by the continued dilapidation of the Sheafe Harbor House site. Elwood Norton asked if the Selectmen had given any thought to having the fire department burn the buildings down. Mr. Hanson replied that they had, but it is more difficult to burn buildings down because of the emissions from burning and the permits needed. Dan Murphy asked if there was any chance of recovering the money. Randy Mattson answered that Number 17C of the Stipulation that was delivered to the Court, which is a public document, says that this loan would be subject to a lien on this property and an agreement for repayment from the first proceeds for any

sale of the property to a third party or repayment by the Hurleys on terms of prime rate over ten years. This motion passed by majority vote.

Article 4. It was moved by Charley Hanson and seconded by John Schoenbauer to raise and appropriate $353,060 for the maintenance of Town Highways and Bridges, including sidewalks and dead tree removal. $31,608 to be paid from State Highway Block Aid, the balance of $321,452 to be raised by taxes. Bob Beem made a motion to amend this Article to add $500,000 so that it would read, "To see if the Town will vote to raise and appropriate $853,060 for the maintenance of Town Highways and Bridges, including sidewalks and dead tree removal. $31,608 to be paid from State Highway Block Aid, the balance of $821,452 to be raised by taxes. This was seconded by Kent Warner. Mr. Beem then explained that the subject was the plowing of roads and something that happened this past year that at present has overturned a vote taken at two different town meetings. Mr. Beem explained that the reason that he has put this amount in is that it is a conservative estimate of what this action is going to cost the town in the next few years. Mr. Beem said that if we are cutting out services it is intuitive that there would be a reduction in our cost. But there are a lot of reasons why the costs are going to go up and go up dramatically and $500,000 is a minimum estimate. Mr. Beem said that he has put a lot of time into the research of this. Since the mid 60's the Town has been plowing private roads and certain driveways under the vote of two consecutive Town Meetings and with a consistent policy. When this first came up, Mr. Beem said he thought that they would have to wait to go before Town Meeting to overturn actions of a previous Town Meeting. They decided that they didn't have to. For years the Selectmen who were following this consistent policy assumed that at some point someone would bring up at Town Meeting couldn't we save money if we stopped plowing private roads? The Selectmen for the forty years that it was done by Town Meeting vote and the sixty years before that understood why it was actually going to cost you money and why the way we were dong it would save money. Through those years we thought that if someone brought it up at Town Meeting the Selectmen would be prepared to answer it. There are several ways in which this, if it stands will cost more money. There are roads that qualify to be Town roads that have voluntarily remained private roads and they have continued to pay the expensive maintenance, the summer maintenance, those roads continued to remain private as long as the Town continued to do the plowing. Mr. Beem said that he is surprised that there are not more roads, like Article 28, but there are more that will be coming soon. When a road is created through subdivision, unless it very specifically stated in the subdivision approval that a reduction in standards is based on a promise that the road will remain private, then if the road meets the conditions they have the right to bring it to Town Meeting and we don't have an arbitrary right to say, "No." Mr. Beem said that the point is if we will not plow the road until it becomes a town road the developer is under more pressure to put the Town under pressure to take the road over earlier. So you are going to see the scenario of when the road gets finished then the houses go in the cement trucks, the dozers, the lumber trucks go in and tear up the road. Then a few years

later the people who are on it want their road repaired. In the past the developer would finish the road There are roads that qualify to be town roads and if one of those roads chooses to a public road and we now own that road and have to maintain it winter and summer the cost of owning one of those roads will more than off-set any amount we pay on plowing the private roads. Mr. Beem is looking at the financial interest of those who live on town and state roads, because it is those people whose taxes will be going up. The homes that are affected by these private roads constitute approximately half of the tax base in Center Harbor. These houses have suddenly had a service removed from them. Anyone that Mr. Beem has talked to in real estate, banking, mortgage, and insurance says that this will reduce the value of those properties. The question is how much does it reduce it and when does RSA 75:1 kick in. A reduction in half the tax base is a reduction in revenue which would more than would offset the amount that we have been paying for plowing of those roads. Mr. Beem said that if the Selectmen say that it is illegal there are ways to make it legal. Mr. Beem said that he doesn't want to add $500,00 to this, he is forewarning that this is a minimum that we are going to end up paying unless we grab hold of the subject and direct the Selectmen to go back to what we had before or reopen the issue. Mr. Beem said that they had no business to overturn a perfectly legitimate vote of Town Meetings forty years ago that was followed with care very consistently until this last year. Mr. Beem said that the Selectmen should listen to all he has gathered. (At this time there was applause.) Mr. Beem then said that at this point he would like to withdraw his motion, that he had laid it before us and hoped that we would consider it. Mr. Warner withdrew his second. The vote was unanimously in favor.

Article 5. It was moved by Scott Davis and seconded by Diane Drenkhahn to raise and appropriate the sum of $60,000 for the purpose of a road surface management program. This Article passed with by a majority vote.

Article 6. It was moved by Scott Davis and seconded by Dan Murphy to raise and appropriate the sum of $55,000 for an engineering study and final design for replacing the High Haith Bridge. Mr. Davis explained that the Selectmen have recognized for some time that the bridge that goes onto High Haith Island has been deficient. The State of New Hampshire has inspected the bridge every year. For the past few years it has been on the "Red List". This bridge is a very short span and one of only two that the Town owns. The Selectmen have done some preliminary work and have submitted an application to the State of New Hampshire and it looks favorable that we can get a grant that will help us with the reconstruction of this bridge. It looks as if it will be 2014 before we see any funds from that. Any work that we do between now and then will count toward the match that the Selectmen hope will be a 50/50 split. The vote was unanimously in favor.

Article 7. It was moved by Randy Mattson and seconded by Diane Drenkhahn to raise and appropriate the sum of $25,000 to be placed in the existing Capital Reserve Fund for the purpose of construction of a sand/salt storage shed. Kent Warner asked to continue with the motion that he had made earlier to include Article 7 and Articles 13 through 27 in one vote. Mr. Warner said that if anyone feels that there are any articles that should be removed from that group he would certainly entertain an amendment, otherwise he would ask the Moderator to call for a vote. David Schimke asked if we were having our freedoms taken away. Mr. Schimke wanted to know if we are going to put everything under one bundle, why we waste our time coming to Town Meeting. Elwin Norton asked if we were going to read each article. Mr. Kimball said that he would read each article. Mr. Kimball called for a vote on Mr. Warner's motion. The motion was defeated. The vote was unanimously in favor to passed Article 7 as read.

Article 8. It was moved by Charley Hanson and seconded by John Schoenbauer to establish a Capital Reserve Fund for the purpose of purchasing a new loader backhoe and to raise and appropriate the sum of $30,000 for said fund and to appoint the Board of Selectmen as agents to expend from this fund. This motion passed by majority vote.

Article 9. It was moved by Randy Mattson and seconded by David Johnson to raise and appropriate the sum of $233,826 for the operation of the Police Department. The vote was unanimously in favor.

Article 10. It was moved by Scott Davis and seconded by Julian Shlager to establish a Capital Reserve fund for the purpose of purchasing a fully equipped police cruiser and to raise and appropriate the sum of $20,000 for said fund and to appoint the Board of Selectmen as agents to expend from this fund. The motion passed by majority vote.

Article 11. It was moved by Randy Mattson and seconded by John Schlemmer to raise and appropriate the sum of $130,750 for the maintenance of the Center Harbor Fire Department. The vote was unanimously in favor.

Article 12. It was moved by Charley Hanson and seconded by Alan Hale Jr. to establish a Capital Reserve Fund for the purpose of purchasing a Fire Department engine or rescue vehicle and to raise and appropriate the sum of $25,000 for said fund and to appoint the Selectmen as agents to expend from this fund. The vote was unanimously in favor.

Article 13. It was moved by Scott Davis and seconded by Julian Shlager to raise and appropriate the sum of $50,000 to be placed in the existing Capital Reserve Fund for the purpose of design and construction of a Public Safety Facility. It motion passed by majority vote.

Article 14. It was moved by Randy Mattson and seconded by David Hughes to raise and appropriate the sum of $14,029 for the purchase of one (1) hydraulic rescue tool for the Fire Department. The vote was unanimously in favor.

Article 15. It was moved by Charley Hanson and seconded by David Hughes to raise and appropriate the sum of $9,322 for the purchase of one (1) defibrillator for the Fire Department. The vote was unanimously in favor.

Article 16. It was moved by Scott Davis and seconded by John Schoenbauer to raise and appropriate the sum of $158,950 for the disposition of Solid Waste. David Johnson said that last year we discussed re-contracting and the cost was supposed to go down; he is wondering what happened. Charley Hanson said that we terminated our agreement with the Claremont group and we entered into a new contract with a landfill up north. The tipping fees are significantly less, unfortunately new equipment needed to be purchased. The vote was unanimously in favor.

Article 17. It was moved by Randy Mattson and seconded by Helen Heiner to raise and appropriate the sum of $86,263 for the operation of the James E. Nichols Memorial Library. David Schimke stated that if this was passed it would be an increase of $11,170 from last year. Mr. Schimke asked for an explanation of the increase. Helen Heiner stated that the limestone on the building needed to be sealed and would cost $5,000 and the Library is now open on Thursday mornings so there is more staff time. Mrs. Heiner also stated that the Library had been running a book store that generated between $1200 and $1700 a year and they have had to close the store. The vote was unanimously in favor.

Article 18. It was moved by Charley Hanson and seconded by Carolyn Schoenbauer to raise and appropriate the sum of $52,968 for the purpose of providing ambulance service to the Town. The vote was unanimously in favor.

Article 19. It was moved by Scott Davis and seconded by Kent Warner to raise and appropriate the sum of $49,950 for Parks and Recreation. The vote was unanimously in favor.

Article 20. It was moved by Randy Mattson and seconded by David Schimke to raise and appropriate the sum of $10,000 for the purpose of aquatic weed infestation treatment. Ms. Mattson explained that it was brought to the attention of the Selectmen that there are small patches of invasive water weeds in the area of the town docks. Research indicates that treating small areas early will greatly decrease the re-infestation. Because it is a small area there won't be any chemicals used. The State has been contacted and will assist with the removal of the weeds. Ms. Mattson said that they expect that this budget line item will have a maintenance line item in future years because rechecking the area each year will greatly help with any re-infestation. David Walker asked what methods would be

used. Ms. Mattson said that divers will pull the weeds out by the roots and the area will be covered so that the weeds could not re-generate. The vote was unanimously in favor.

Article 21. It was moved by Scott Davis and seconded by Richard Drenkhahn to raise and appropriate the sum of $18,280 for Patriotic Purposes including the Fourth of July activities. David Schimke said that this is a $1300 increase since 2006 and asked if we were buying more flags with the money. The Parks and Recreation Director Sandy Frost explained that she was hired in 2006 and since she was hired there has been a $2,000 increase in the cost of the fireworks. This motion passed by majority vote.

Article 22. It was moved by Charley Hanson and seconded by Diane Drenkhahn to raise and appropriate the sum of $7,700 for the Center Harbor Town Band Concerts. The vote was unanimously in favor.

Article 23. It was moved by Randy Mattson and seconded by John Schoenbauer to raise and appropriate the sum of $14,000 for Direct Welfare. The vote was unanimously in favor.

Article 24. It was moved by Charley Hanson and seconded by Don Welch to raise and appropriate the sum of $2,950 for support of Emergency Management. The vote was unanimously in favor.

Article 25. It was moved by Scott Davis and seconded by Richard Drenkhahn to raise and appropriate the sum of $500 for the Centre Harbor Historical Society. The vote was unanimously in favor.

Article 26. It was moved by Randy Mattson and seconded by David Hughes to raise and appropriate the sum of $1,050 for Center Harbor's share of the operation of the Red Hill Fire Tower. The vote was unanimously in favor.

Article 27. It was moved by Charley Hanson and seconded by Helen Heiner to raise and appropriate the sum of $37,063 for the support of the following health and welfare agencies:

Meredith Public Health	$12,201
Lakes Region General Hospital	0
Winnipesaukee Wellness Center	$ 4,000
Community Action Program	$ 8,400
Child & Family Services	$ 3,500
Inter-Lakes Day Care	$ 4,662
L.R. Community Services	$ 300
New Beginnings	$ 1,000
American Red Cross	$ 1,000
Genesis	$ 1,500

CASA $ 500

David Schimke said that if we referred back to page 14 of the Town Report we will see that he publicly opposed this last year and the reason that he opposed it was made obvious earlier tonight. Mr. Schimke said that last year he felt it was a tactic that took away everyone's ability to judge each one of these on their merits. Mr. Schimke asked who had the right to pre-suppose that these articles should be grouped together. Some of these items are different from last year. Mr. Schimke does not think that these should be voted as a block. Randy Mattson explained that when they are grouped together like this we have the ability as a body to vote and change any one of these; so we can discuss each one of these and each number can be changed by this body. Mr. Kimball asked if anyone wanted to change anything. This motion carried as read.

Article 28. It was moved by Scott Davis and seconded by Mark Stearns to accept Wood Ridge Road as a Town Road. Bart Coudert asked Jeff Haines, Road Agent, to come up to the microphone. Mr. Coudert asked Mr. Haines if the road comes up to town standards. Jeff Haines answered, "Yes, this process has been going on for some years. They were given a punch list of things to do and they met the list of requirements." Kirk Meloney asked if the road has been plowed before. Charley Hanson answered that it has been plowed for years. The residents of Wood Ridge Road came late last summer, early fall, and as Jeff said they have worked diligently to bring their road up to standard, and it is now up to standard. In addition we have been working with them to make sure that it was laid out correctly which is very important from the Town perspective; we like to have an actual plan showing the metes and bounds of where the road is, and all those pieces are in place. This motion passed with a majority vote.

Article 29. It was moved by Scott Davis and seconded by Helen Heiner increase the Town's elderly exemptions, income and asset limits as follows:

65-74 Years	75-79 Years	80+ Years	Income Limits Single/Married	Asset Limit (excluding value of residential real estate)
$15,000	$25,000	$45,000	$20,000/$30,000	$50,000

Dan Murphy asked what the purpose of the exemption is. Scott Davis explained that they had reviewed what the neighboring communities offer to their residents and found that we are lagging behind a little bit; so in light of today's economy and people's income and assets they decided it was time to move ours up. David Johnson said that there must have been a study of what the financial outcome of this would be for the Town. Mr. Johnson asked if the Selectmen knew what the number would be. Robin Woodaman said that right now we have one elderly exemption for $5,000. We don't know people's personal assets or how many people would qualify until they apply. The vote was unanimously in favor.

Article 30. It was moved by Randy Mattson and seconded by Carolyn Schoenbauer to allow a discount of two (2) percent on taxes paid within twenty-two (22) days of issue of tax bills by the Tax Collector. The vote was unanimously in favor.

Article 31. It was moved by Charley Hanson and seconded by Frank Fancher to authorize the Board of Selectmen to appoint a Capital Improvements Program Committee, which shall include at least one member of the Planning Board, and may include, but not be limited to, other members of the Planning Board or the Board of Selectmen, to prepare and amend a recommended program of municipal capital improvement projects over a period of at least six years. This will supersede the Capital Improvements Program authorized at the 1991 Town Meeting. The vote was unanimously in favor.

Article 32. It was moved by Scott Davis and seconded by John Schoenbauer to choose agents or committees in relation to any article of the Warrant and hear reports of any heretofore chosen. Charley Hanson said that there are openings on town committees and there will be postings about them. Mr. Hanson said that if anyone would like to get involved with any of the committees to please stop by and get an application form. The Conservation Commission is full, but we need Cemetery Trustees, the Planning Board will be getting the Capital Improvements Plan and the Selectmen would like people outside of the Planning Board to be on that committee and a Building Committee is going to be formed which will need members. At this time Mr. Hanson thanked the Department Heads for all that they do for the Town. Steve Caney said that a year ago we voted to start an Energy Committee and as of today (March 11, 2008) we have launched our website. The website address is www.realtychec.org John Kimball announced that the Planning Board Survey for the update of the Master Plan was available on a table in the back of the station and due back on April 30th. The vote was unanimously in favor.

Mr. Kimball thanked each and everyone present for all that they do, and caring enough about this Town to come out whether they are for an article or against an article please know that the Town of Center Harbor cares about them too.

The Moderator, John Kimball, dissolved the 2008 Town Meeting at 9:00 P.M.

Respectfully submitted by,

Sheila Mohan

Sheila Mohan
Town Clerk

STATE OF NEW HAMPSHIRE
TOWN OF CENTER HARBOR

TOWN WARRANT

To the inhabitants of the Town of Center Harbor in the County of Belknap in Said State, Qualified to vote in Town Affairs:

You are hereby notified to meet at the Cary H. Mead Meeting Room in Said Center Harbor on Tuesday, the tenth day of March at ten of the clock in the morning until six of the clock in the evening to act upon Article 1. You are hereby notified to meet at the Fire Station in Said Center Harbor on Tuesday, the tenth day of March at seven thirty of the clock in the evening to act upon Articles 2 through 34.

Article 1-A. To choose all necessary Town and School Officers for the year ensuing.

Article 1-B. To see if the Town will vote to adopt Amendment No. 1-B to the existing Town Zoning Ordinance, as proposed by Petition, to replace Section 9:4 paragraph 3 with the following, "Boat houses located in or over the water, including dredged inlets, will not be approved. (See Section 2 Definitions)" The Planning Board vote was three (3) in favor and three (3) opposed to recommending this Petition Article.

Article 1-C. To see if the Town will vote to change the term of the Town Clerk from one (1) year to three (3) years, beginning with the term of the Town Clerk to be elected at next year's regular Town Meeting.

Article 1-D. To see if the Town will vote to change the term of the Town Tax Collector from one (1) year to three (3) years, beginning with the term of the Town Tax Collector to be elected at next year's regular Town Meeting.

Article 1-E. To see if the Town will vote to change the term of the Town Treasurer from one (1) year to three (3) years, beginning with the term of the Town Treasurer to be elected at next year's regular Town Meeting.

Article 2. To see if the Town will vote to raise and appropriate $ 689,628 to defray the Town charges for the ensuing year. ($675,204 appropriated in 2008).

Article 3. To see if the Town will vote to raise and appropriate the sum of $485,000 for the replacement of the High Haith Bridge with $424,000 to be funded by the State of New Hampshire Department of Transportation and the balance of $61,000 to be funded by general taxation. This will be a non-lapsing appropriation per RSA 32:7, VI and will not lapse until the project is completed or by December 31, 2014, whichever is sooner. The Selectmen recommend this appropriation. (Majority vote required).

Article 4. To see if the Town will vote to create an Expendable Trust Fund under the provisions of RSA 31:19-a, to be known as the Town Buildings Repairs & Maintenance

Expendable Trust Fund, for the purpose of repairing and maintaining municipally owned buildings and to raise and appropriate the sum of fifty thousand dollars ($50,000) for this fund and to appoint the Selectmen as agents to expend from this fund. Recommended by the Selectmen. (Majority vote required).

Article 5. To see if the Town will vote to raise and appropriate $355,272 for the maintenance of Town Highways and Bridges, including sidewalks and dead tree removal. $34,116 to be paid from State Highway Block Aid, the balance of $321,156 to be raised by taxes. ($353,060 appropriated in 2008).

Article 6. To see if the Town will vote to raise and appropriate the sum of $100,000 to be placed in the existing Capital Reserve Fund for the purpose of construction of a sand/salt storage shed. ($25,000 appropriated in 2008). Recommended by the Selectmen.

Article 7. To see if the Town will vote to change the purpose of an existing Loader/Backhoe Capital Reserve Fund to the Highway Department Truck or Equipment Capital Reserve Fund. (2/3 vote required). ($30,000 appropriated in 2008). Recommended by the Selectmen.

Article 8. To see if the Town will vote to raise and appropriate the sum of $30,000 to be placed in the Highway Department Truck or Equipment Capital Reserve Fund and to appoint the Selectmen as agents to expend from this fund. This article is contingent on the passage of warrant article 7. ($30,000 appropriated to the Backhoe/Loader CRF in 2008). Recommended by the Selectmen.

Article 9. To see if the Town will vote to raise and appropriate the sum of $30,000 to be added to the Loader/Backhoe Capital Reserve Fund previously established. This article is contingent on the failure of warrant article 8. Recommended by the Selectmen. (Majority vote required).

Article 10. To see if the Town will vote to raise and appropriate the sum of $248,665 for the operation of the Police Department. ($233,826 appropriated in 2008).

Article 11. To see if the Town will vote to raise and appropriate the sum of $20,000 to be placed in the existing Capital Reserve Fund for the purpose of purchasing a fully equipped police cruiser. ($20,000 appropriated in 2008). Recommended by the Selectmen.

Article 12. To see if the Town will vote to raise and appropriate the sum of $138,899 for the maintenance of the Center Harbor Fire Department. ($130,750 appropriated in 2008).

Article 13. To see if the Town will vote to raise and appropriate the sum of $20,000 to be placed in the existing Capital Reserve Fund for the purpose of purchasing a Fire Department engine or rescue vehicle. ($25,000 appropriated in 2008). Recommended by the Selectmen.

Article 14. To see if the Town will vote to raise and appropriate the sum of $23,500 for the completion of the fire hydrant system from the Town Beach on Lake Street to Main Street in front of the Fire Station. $11,065 to come from the unreserved fund balance and $12,435 is to come from general taxation. (Majority vote required).

Article 15. To see if the Town will vote to raise and appropriate the sum of $25,000 to be placed in the existing Capital Reserve Fund for the purpose of design and construction of a Public Safety Facility. ($50,000 appropriated in 2008). Recommended by the Selectmen.

Article 16. To see if the Town will vote to raise and appropriate the sum of $18,000 for the purpose of creating a Natural Resource Inventory. $10,803 to come from the Land Use Change Tax Fund collected in 2008 and $7,197 to come from the unreserved fund balance. (Majority vote required).

Article 17. To see if the Town will vote to raise and appropriate the sum of $22,000 for Phase 1 of updating the Town's Master Plan. $22,000 to come from the unreserved fund balance. (Majority vote required).

Article 18. To see if the Town will vote to raise and appropriate the sum of $12,000 for the purpose of hiring a Circuit Rider Planner. $12,000 to come from the unreserved fund balance. (Majority vote required).

Article 19. To see if the Town will vote to raise and appropriate the sum of $165,105 for the disposition of Solid Waste. ($158,950 appropriated in 2008).

Article 20. To see if the Town will vote to raise and appropriate the sum of $88,272 for the operation of the James E. Nichols Memorial Library. ($86,263 appropriated in 2008).

Article 21. To see if the Town will vote to raise and appropriate the sum of $54,468 for the purpose of providing ambulance service to the Town. ($52,968 appropriated in 2008).

Article 22. To see if the Town will vote to raise and appropriate the sum of $61,850 for Parks and Recreation. ($49,950 appropriated in 2008).

Article 23. To see if the Town will vote to raise and appropriate the sum of $20,630 for Patriotic Purposes including Fourth of July activities. ($18,280 appropriated in 2008).

Article 24. To see if the Town will vote to raise and appropriate the sum of $9,721 for the Center Harbor Town Band Concerts. ($7,700 appropriated in 2008).

Article 25. To see if the Town will vote to raise and appropriate the sum of $14,000 for Direct Welfare. ($14,000 appropriated in 2008).

Article 26. To see if the Town will vote to raise and appropriate the sum of $1,250 for support of Emergency Management. ($2,950 appropriated in 2008)

Article 27. To see if the Town will vote to raise and appropriate the sum of $1,050 for Center Harbor's share of the operation of the Red Hill Fire Tower. ($1,050 appropriated in 2008).

Article 28. To see if the Town will vote to raise and appropriate the sum of $500 for the Centre Harbor Historical Society. ($500 appropriated in 2008).

Article 29. To see if the Town will vote to raise and appropriate the sum of $38,252 for the support of the following health and welfare agencies ($37,063 appropriated in 2008):

Agency	2009 Request	2008 Appropriation
Meredith Public Health	$12,201	$12,201
Winnipesaukee Wellness Center	$ 6,000	$ 4,000
Community Action Program	$ 8,400	$ 8,400
Child & Family Services	$ 3,500	$ 3,500
Inter-Lakes Day Care	$ 4,662	$ 4,662
New Beginnings	$ 1,000	$ 1,000
American Red Cross	$ 489	$ 1,000
L.R. Community Services		$ 300
Genesis	$ 1,500	$ 1,500
CASA	$ 500	$ 500
Total	$38,252	$37,063

Article 30. To see if the Town will vote for acceptance of Beaverside Drive and Meadow Drive as Town Roads. (by petition)

Article 31. To see if the Town will vote to repeal article 15 passed by the 1989 Town Meeting, and adopt in its place the following: To place 25% of all future payments collected under RSA ch. 79-A:7, the Land Use Change Tax, in the Conservation Fund under RSA 36-A:5 III. and to confirm all prior deposits of the Land Use Change Tax to the Conservation Fund.

Article 32. To see if the Town will vote to authorize the Board of Selectmen to establish or amend fees as provide by RSA 41:9-a. Such a vote shall continue in effect until rescinded.

Article 33. To see if the Town will vote to allow a discount of two (2) percent on taxes paid within twenty-two (22) days of issue of tax bills by the Tax Collector.

Article 34. To choose agents or committees in relation to any article of the Warrant and hear reports of any heretofore chosen.

James E. Nichols Memorial Library
Librarian's Report for 2008

Library Use

The Nichols Library expanded its summer schedule, adding Tuesday mornings from 10am-1pm. Public response to the six day week was very positive. Between May and October, when extended hours were offered, the Library averaged 953 visitors and 1,591 circulations a month. Between June and August, this figure rose to an average 1,125 visitors and 1,775 circulations. In total, there were 8,401 visits to the Library. The user base continued to grow, with 145 patron registrations.

Library use by material type is shown in the following table:

Adult	6,479
Children & youth	1,279
Total print	7,758
Audio cds & cassette	747
Dvd & vhs	4,078
Total Audio/video	4,798
Borrowed from other libraries	382
Loaned to other libraries	464
Total Interlibrary Loans	846
Passes	77
Total Circulation	13,506
Total Visits	8,401

Adult reading, youth reading, audio books and interlibrary loan books accounted for close to 75% of all lending. The Currier Museum of Art was added to our selection of guest passes. The pass to the Planetarium in Concord was not renewed. In December, the Library joined the New Hampshire State Library Audio Download program, providing patrons access to their digital library of 2,000+ titles. Donations from summer visitors financed the program start-up fee.

Patron Services

Our staff supported library patron's reading interests and information needs by responding to questions, supporting computer use, and providing passes to area museums and attractions. Service interactions are listed on the following table:

Reference/Book advisory	117
Computer/Technical help	58
Total	175
Computer Use	1212
Wifi access	111
Total	1323

The Library's web page linked patrons to our online catalog and NH State Library research databases. Our staff produced monthly displays on selected authors and topics. Our column in the Meredith News featured book reviews and library news. It was with regret the Library closed its book sale room, as necessitated by code regulations. Portions of the collection were donated to other libraries; 90 boxes were taken to the swap room at the Center Harbor Transfer Station.

Collection

The Library held 14,416 items in its collection at the end of 2008. During the year, 888 new materials were added, 740 by purchase and 148 through gifts. Of these materials, 394 circulated 5 or more times during the year; 90 new items circulated 15 or more times. To assure that the collection remained up-to date, 293 materials that were worn, damaged, dated or infrequently used were withdrawn from the collection. Youth fiction shelves were arranged to give series fiction a more prominent location. A shelf dedicated to historical holdings was created in the library office.

Building and Grounds

The Nichols Library received a handsome new face this year with the erection of its new sign, which includes seasonal hours. The project was funded primarily by donations to the Library in the memory of Barbara Benoit, a library trustee for eighteen years. Paquette Signs of Meredith designed, crafted and installed the sign. On Saturday, July 26th, the sign was dedicated to the memory of Barbara Benoit. The ceremony was attended by selectmen, trustees, family and friends.

The Library grounds were also graced by two new planters, located by the front steps and new plantings of native perennials along the Main Street side of the building. Also, the outdoor light fixtures were replaced in December. Inside the Library, several new furnishings were added and needed repairs were completed. The desk in the staff office was replaced. Locks were replaced on all of the outside doors. A leak above one of the back windows in the stack area was addressed. Several furnace repairs were attended to. In July, the Library contracted with Crane Maintenance for cleaning services. One anticipated project, the sealing of the building, was postponed, in response to rising energy costs and the economic downturn.

Staff, Trustees, Volunteers and Donors

Librarian Jon Kinnaman attended trainings in personnel management and policy development and took online courses in Personnel management. He also served on the CH Joint Loss Committee. Library Assistant Linda Belisle helped manage interlibrary loan requests, provided book advisory and reference services, and kept our book displays up-to-date. Library Aide Kim Anderson helped at the circulation desk and assisted with cataloging functions.

Trustee Jean Whatley tendered her resignation from the Board in July, pending her relocation to New London. Her many years of service are greatly appreciated and she will be missed. Alternate Trustee Chuck DiCecca was appointed to the Board in her place. Jo Morse stepped down as Secretary after many years of faithful service; Chuck DiCecca assumed secretarial duties. Treasurer Sarah Heath effected the material improvements noted above. Chair Helen Heiner played a major role in the improvement of the Library's grounds.

Persons who volunteered time and energy to the Library included Jeff Haines and the Center Harbor Road Crew, who helped install the library sign and took books to transfer station; Bob Beem, who assisted with library maintenance and donated various useful items; and Micheline and Anna Tocco, who helped prepare materials for circulation. We would also like to express our thanks to the many patrons who provided gifts and material donations to the Library in 2008.

Faithfully submitted,

Jon Kinnaman, Librarian

The Town of center Harbor is under contract with Grzelak & Co. to be audited in 2009. The audit will be available in the Town Office upon completion.

2008 Center Harbor Planning Board Report

The Center Harbor Planning Board again had a quiet year in 2008, as in the past two years. One subdivision and two boundary line adjustments were approved in 2008.

The Dane family created one five plus acre lot with frontage on Route 25-B from a large parcel on Route 25-B and Center Harbor Neck Road. Boundary line adjustments between Jayne Ruel and Adrian and Lois Carr on Waukewan Road and two lots owned by the Murdough family on Owl's Head Road were approved.

Site plan review of the New Hampshire Music Festival project at the corner of Route 25-B and College Road is underway. Initially, the Music Festival plans to build a 700-seat music hall and a 200-seat salon adjacent to and easterly of the old mansion on the property, renovate existing parking areas and roadways and create new parking areas and roadways. Administrative offices will be in the mansion. Plans for future phases are being discussed and will be incorporated into any site plan approval. All town departments have been and will be involved in the process.

The Board continued updating the Town's Master Plan. The community surveys were completed and reviewed by the Board and will be submitted to Lakes Region Planning Commission, provided a budget item for that is approved at Town Meeting in March 2009. That budget item will include assistance with preparing and implementing the Master Plan, review of Town ordinances and assistance with the New Hampshire Music Festival site plan review process.

Harold Tate retired this year after a very long tenure on the Planning Board. His many years of experience in planning matters will be missed.

Respectfully submitted,

Lee W. Mattson, Chair

During 2008, the Center Harbor Conservation experienced the resignation of two commissioners, Robert Coppo and Stu Garden. We thank them for their contributions to the Commission and wish them well! Fortunately, the CHCC was joined by Harry Viens who recently relocated to Center Harbor. Mr. Viens has previous conservation experience and has become a valued member of the commission. Commissioners Randy Mattson and Helen Heiner continue to liaison between the CHCC and the Board of Selectmen and the Planning Board respectively, enhancing the commission's communications and effectiveness.

In large part due to the continued slow economy resulting in minimal development activity within the town, the CHCC had another year of relatively few Dredge and Fill Applications and Minimum Impact Expedited Applications for review and comment. However, presuming building activity will eventually increase, the CHCC has developed a good working relationship with the NHDES and is staffed and motivated to protect high value natural assets within the town.

The Center Harbor Conservation Commission was occupied with two major activities in 2008 focused on the protection of the town's natural resources. The first was the finalization of the **Prime Wetlands Project** of the five wetlands identified by the town in 2005 and approved by the residents for Prime Wetlands status in March of 2006. The ongoing effort proved to be sufficiently complex such that the CHCC required the services of an experienced environmental consultant to complete the delineation of the wetlands complexes necessary for NHDES acceptance. This work began in the fall of 2008 and is currently underway. We anticipate Prime Wetlands Designation of these complexes by the NHDES within the first quarter of 2009 or shortly thereafter. As required by town guidelines, the contract work to complete the Prime Wetlands project was subjected to a competitive bid process.

The state statute, RSA 36-A.2, which provides for the establishment of conservation commissions also specifically states that these commissions shall conduct research into local land and water areas and keep an index of all open space and natural, aesthetic or ecological areas with the plan of obtaining information pertinent to proper utilization of such areas, including lands owned by the state or town. This is generally referred to as an NRI or **Natural Resource Inventory**. To that end, the

CHCC decided to initiate a warrant article for the 2009 Town Meeting to ask the residents to fund the NRI project. If approved, basic and detailed inventory studies would be conducted with input from CHCC members, citizen volunteers, contracted environmental expertise and surrounding towns which have already completed the NRI process. GIS mapping would identify and position important natural assets such as lakes, ponds, rivers and streams; wetlands; rare, threatened and endangered plant and animal species; wildlife habitats; soils; scenic resources; historic and archaeological resources; farm lands; forests; recreational and scenic resources; unique geologic resources, along with others. The completed Natural Resource Inventory would become part of the town's Master Plan and would be a valuable tool for our land use boards. The CHCC urges the town to support this warrant article for the sake of preserving the town's natural resources.

In 2008, the CHCC determined that the best use for conservation funds would be for the acquisition of high value property or for purchase of conservation easements on such lands to protect views and natural subjects for future generations. The CHCC is continuing to work with other local environmental and conservation groups to identify high value properties which can be protected from development. Conservation Commissions from the Towns of Center Harbor, Meredith and New Hampton have been working with the Waukewan Watershed Advisory Committee in Meredith and the Waukewan Shore Owners Association on acquiring a riverfront parcel of land on the west shore of the Snake River between Lakes Winona and Waukewan. Additionally, the CHCC is working with the Squam Lakes Conservation Society and Lakes Region Conservation Trust to conserve a parcel of land within Center Harbor with outstanding views and excellent development potential.

Annual Report

Center Harbor Fire Department
2008

In 2008 the Center Harbor Fire Department (CHFD) responded to 255 incidents including fires, medical emergencies, motor vehicle accidents, and service calls. This is an increase over 2007 and previous years. While this was a busy year, the CHFD was able to accomplish many initiatives to improve the performance of the department as well as increase safety in Center Harbor.

The CHFD is currently comprised of 24 paid on-call employees. These are members who respond to calls by way of a tone pager from Lakes Region Mutual Fire Aid. The CHFD also has a Boy Scout Explorer youth program that is a joint initiative to recruit new members with the Towns of Meredith, Moultonborough, and Sandwich. Four volunteer members are in Center Harbor. CHFD members train regularly in fire, medical and hazardous material emergencies. 15 of our members are nationally certified firefighters, with five more soon to finish. This represents more than two hundred hours of education by each of these five firefighters this spring. CHFD has 13 Emergency Medical Technicians (EMTs) with four more due to become certified this spring. We have one EMT- I, which is advanced life support, with two members going to school to achieve the EMT- I level by summer. We have one member working on a two year program to move up to the paramedic level. These programs are a joint effort by the CHFD, the N.H. Fire Academy and the Lakes Region Community Technical College partnering to educate our Firefighters and medical personnel to the highest standards available to serve our community.

Calls in 2008 were up over previous years and the CHFD responded well. CHFD responded to more building fires in the area in the first quarter of the year than ever and we were the first on-scene department at several of these calls or were a major factor in supplying water and manpower to fight these fires. Some of the other highlights of the year included:

- CHFD personnel removing a man from a heavily involved building fire in the spring.
- Resuscitation of a one-month-old infant this fall.
- Sending both rescue boats to Ashland to assist with the severe flooding in August that caused the loss of one child's life.
- Sending a forestry crew and equipment to large forest fires in Alton and Rumney.
- Sending a team to assist when the tornado hit the southern part of our mutual aid area to assist with cutting open roads and search for victims.
- Securing electricity, gas and a collapse zone at two summer houses on High Haith that had trees fall on them during one of the severe summer storms
- Supplying medical crews for the Fourth of July road race.
- Supplying fire protection for the Fourth of July fireworks from the time they arrive at the docks until they are shot off.
- Participating in the Memorial Day and Fourth of July parades.
- Participating in the Santa parade.
- Maintaining water and ice on the ice skating rink.
- Providing CPR and fire extinguisher training for town employees and citizens.
- Working with the Highway Department on culvert flushing.
- Providing assistance to comply with the new alarm ordinance.
- Inspecting various types of heating systems and offering assistance and recommendations to the public. In 2009 we have plans to start doing regular inspections in local businesses to help them keep the public safe and reduce their insurance rates.

In 2008, the CHFD changed its equipment configuration in order to provide a better level of service and reduce wear and tear on the fire engines. This involved selling the oldest fire engine and replacing it with a used, late model rescue vehicle.

CHFD currently has two Class A Fire Engines that each carry 1000 gallons of water and have pumps capable of pumping 1250 gallons of water per minute. These engines are also able to pump water from any of the six Draft Hydrants or two cisterns that are located around town or from any lake or pond that is accessible. Both engines also have all the equipment needed to fight fires such as self contained breathing apparatus (SCBA) for entry into burning buildings and basic medical equipment.

In addition to the two fire engines, the CHFD has Rescue 1, which is a medium duty rescue truck that has a high-pressure fire pump and 300 gallons of water and foam. This unit is equipped with the medical equipment needed to respond to medical emergencies, including cardiac monitoring. It also carries rescue equipment for motor vehicle accidents including the "Jaws of Life", a portable generator and pumps. It also serves as our forestry unit carrying basic forestry equipment as well as ice and water rescue equipment, such as an ice sled and several cold water immersion suits. We have backcountry mountain rescue equipment as well.

CHFDs newest addition is Rescue 2, which is a light/medium duty rescue truck that can handle basic medical calls and can be used as a rehabilitation unit on incidents where firefighters and citizens can be kept warm or cool as needed and basic medical care can be provided. This truck can be used in the event that we need to move elderly or disabled citizens to the Fire Station to shelter them. The rescue truck can be utilized as a command post on any fire/EMS/mass casualty/storm related incident. On motor vehicle accidents patients can be moved into this unit for assessment and preparation for transport. In the event that there are multiple patients or ambulances are not available for other reasons, this unit can be used as an ambulance to transport the patient to a hospital.

Due to the fact Center Harbor is a lake community, the CHFD has two boats on trailers available to go to any lake or pond as needed. Boat 1 is equipped with a high-pressure fire pump that is removable and can be used from a dock or from the boat. It has basic medical gear and a floating-basket stretcher for carrying patients in the boat. Boat 2 is a smaller Zodiac-type inflatable boat that can go anywhere in shallow water and small ponds.

I wish to thank all the members of the CHFD who faithfully leave work and family to respond to emergency calls, the Center Harbor Selectmen for their efforts to work with the CHFD, and the citizens, taxpayers and visitors whose support makes our jobs easier and rewarding.

If you have any questions about the Center Harbor Fire Department, please feel free to contact us at 253-4451 or email at chfd5@metrocast.net.

John P. Schlemmer, Chief
Center Harbor Fire Department

Report of Forest Fire Warden and State Forest Ranger

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests & Lands work collaboratively to reduce the risk and frequency of wildland fires in New Hampshire. To help us assist you, please contact your local Forest Fire Warden or Fire Department to determine if a permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning unless the ground is completely covered with snow. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 1-800-498-6868 or www.des.state.nh.us for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at www.nhdfl.org.

Spring fire season lasted unusually long this past year, with very high fire danger stretching into the first week of June. Once again, the rains started to fall during the summer and the fire activity was fairly light for the remainder of the year. The acreage burned was less than that of 2007. The largest forest fire during the 2008 season burned approximately 54 acres on Rattlesnake Mountain in Rumney on White Mountain National Forest property. Another 39 acre fire occurred on Mount Major in Alton during the month of April. Our statewide system of 16 fire lookout towers is credited with keeping most fires small and saving several structures this season due to their quick and accurate spotting capabilities. Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Several of the fires during the 2008 season threatened structures, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department and the state's Forest Rangers by being fire wise and fire safe!

2008 FIRE STATISTICS

(All fires reported as of November 24, 2008)

ONLY YOU CAN PREVENT WILDLAND FIRE

2008 Center Harbor Police Department Town Report

With another year behind us, I am pleased with the performance of all the members of the Police Department. We set high professional standards and each employee works hard to serve the community. I am even more pleased with the results of the Master Plan survey and the high approval rating that the citizens of Center Harbor gave the Police Department. Thank you.

Like all of you, I had to make some difficult decisions this year when the cost of fuel went out of control. Patrol miles were cut, part-time employees hours were cut, and the services of the State Police were called upon more. All this was done to keep the budget from going in the red which was successful. Obviously we can not continue to operate long term like this, but we did what we needed to do to get through this year.

Statistically this was the first year that we did not see an increase in calls for service. I honestly can not say if it was just a quieter year or the affect of the State Police covering more and the cut of patrol mileage. The decrease was not significant as there were still 792 calls for service, 45 arrests, 972 motor vehicle stops, and 39 motor vehicle accidents.

The Police Department continues to be involved in many committees that benefit Center Harbor. One very notably committee is the Emergency Planning Council. This committee is coordinating the response for our region in the event of a major pandemic. We tested our plan for medication distribution on November 8th by holding a Flu Clinic at the Inter-Lakes High School. This is the location where Center Harbor residents will go to receive vaccines if this major event was to occur.

In 2006 the Space Needs Committee was formed and is comprised of Center Harbor residents. This committee recommended the building of a new police space and rated the Police Department as most critical in need. The Police Department is the only town department that currently must leave town and use the neighboring town's facilities to complete its basic job function. As a result of this report, a Building Committee was formed, again comprised of Center Harbor residents. This committee is currently working on the design of an efficient, size appropriate building specific to the police function. The committee meets twice a month and the public is encouraged attend.

In 2008 we were fortunate again to receive several enforcement grants from the NH Highway Safety Agency. These grants fund additional Speed Enforcement Patrols, DWI Saturation Patrols, and for us to participate in several Regional DWI Checkpoints.

In conclusion I want to thank all the bordering Police Departments, the State Police, and the citizens of Center Harbor. I would also remind people that if you have a question or concerns please do not hesitate to contact me.

Respectfully submitted,
Chief Mark C. Chase

Center Harbor Building Committee Report

The Town of Center Harbor formed a Space Needs Committee in May, 2006 for the purpose of determining the space required by the Town to operate effectively and efficiently. The Committee identified the lack of adequate facility to perform the basic functions of the Police Department and recommended that a Building Committee be formed to look into the possibilities of revamping the current Town Hall or building a new police facility. On July 17, 2008 the Center Harbor Building Committee met for the first time with the charge of determining the possible solutions to these issues to include the location and design of such a facility.

In the past seven months much ground has been covered. The Committee members visited many neighboring police facilities to study layouts, establish pros and cons and determine our own needs. Many different parcels of town owned land were considered. The Building Committee visited each parcel to determine if any would be feasible for use by the Police Department. Of those visited two of them seem reasonable for the needs. During the course of the visits many things have become obvious, namely the extreme need that the Town has for a secure and private as well as affordable police facility.

In December, 2008 the Committee requested and received 15 architectural proposals for the design of a police facility. The bid was awarded to Goudreau & Associates Architects of Chester, NH. This firm will have a final design ready for presentation at the 2010 Town Meeting.

The Building Committee meets the first and third Thursday of the month.

Respectfully submitted,

The Center Harbor Building Committee

CENTER HARBOR ENERGY COMMITTEE

2008 ANNUAL REPORT

In its first full year of operations, the Center Harbor Energy Committee intensified its focus on:

- Exploring energy-saving measures that could be immediately effective
- Developing a longer-term strategy for the Town
- Working with other energy committees, non-profit organizations, and the State to share information and take advantages of economies of scale inherent in joint operations.

In the short term, our goal has been to build public awareness of savings opportunities and look for 'quick fix' opportunities for residential and town buildings. These efforts have included:

- Mounting The Great Light Bulb Giveaway and Cake raffle last November, with our thanks to NH Electric Co-op, Heath's Supermarket, Cakes by the Lake and Christopher P. Williams, Architects
- Bringing the Jordan Institute and NHEC specialists to audit all Town buildings for possible 'easy' savings opportunities and identifying longer term inefficiencies. Immediate benefits have included installing a new, well-insulated door on the north side of the Firehouse and turning off the main boiler in the summer
- Getting our website (www.realitychec.com) up and running to provide timely energy savings tips and information on local energy fairs, workshops, etc.
- Publishing periodic public service announcements to promote, for example, the light bulb giveaway program.

The Committee is also working with other town organizations, like the Planning Board, to identify projects that, in time, could well save the Town money – as well as improve quality of life. For example:

- Conducting an inventory of all Town lighting with the aim of eliminating unnecessary outdoor lights and replacing current, wasteful fixtures with those that are more energy-efficient
- Supporting the 'Dark Sky Initiative'.

And, finally, the Committee, working with the Lakes Region Planning Commission, helped initiate the Lakes Region Energy Alliance, which has now met three times. This Alliance will be looking for larger scale savings opportunities and is already sponsoring seminars and workshops.

Respectfully submitted,

Steve Caney and Chris Williams
Co-Chairmen

CENTER HARBOR
PARKS & RECREATION
2008

The Town of Center Harbor was once again busy with many of its yearly activities, keeping the town buzzing. The winter months are always slower, especially with all the SNOW that accumulated. However, it didn't stop the ice fishermen from pulling their bob-houses out onto the ice in the bay of Center Harbor. I remember taking pictures one rainy weekend to see about one foot of water on top of the ice. It was a terrible mess and a tow truck had to come out to assist a helpless fisherman who was stuck with his vehicle. I am pleased to say the ice fishermen are usually pretty good about respecting our beach in the winter.

Winter activities included "Snowshoeing at Chamberlain-Reynolds Forest" in January, "Making Valentines" at Nichols Memorial Library, and "Ice-Skating Party" at the Town Park in February. In March the Parks & Recreation 2008 Budget was approved hands down. Easter came early in March and we still snow on the ground! Although the Annual Easter Egg Hunt was on top of the snow, it didn't stop the egg hunters from appearing for the event. The Little Peepers Nest Hunt and Easter Party were held in the Fire Station.

Slowly the snow melted and slowly Spring appeared. The "2nd Annual Strings & Things & Wings" event was held at the Center Harbor Congregational Church in April. This musical entertainment event was again entertaining and successful. Many thanks go to David Young and his musicians. With the budget approved, plans were under way for the Town Basketball Court to be resurfaced by Vermont Surfacing Co. The project was completed the second weekend in May and it came out beautiful. The good news was that the cost was $1,000 less that they quoted price! The Meredith Rotary also donated $1,000 towards the project! The yearly "Memorial Day Parade" was truly a success with a very large turnout by the community. Rev. Carol-Asher Snow spoke with great honor and pride at all three of the Town's official sights. The Inter-Lakes Marching Band, Meredith American Legion Honor Guard, and Center Harbor Fire Department assisted in this memorial event. Many thanks are extended to all who participated.

The Town Boat Launch officially opened Memorial Day weekend with attendants on duty on the weekends during the month of June. The Boat Launch opened with daily attendant service through July and August, up through Labor Day weekend. With the price of gas, boat launching was definitely down this year, compared to activity over the past two years. The invasive weed, Milfoil, was evident at the boat launch area and docks. However, it was not as severe as other areas seen on Lake Winniapausaukee.

The Center Harbor Town Beach officially opened June 19th with lifeguard service and swim lessons. Maintenance was done at the Town Beach this year and included: painting the pavilion and the bath house, new shingles on the bath house, and a water pipe replaced for the fire hydrant. New heavy duty mats were also put under the swings at the playground. Summer arts and crafts were offered at the beach in the afternoons. Tennis

lessons were also offered at the Town Tennis courts. Severe thunderstorms closed the beach on several occasions throughout the summer. It was an extremely rainy summer.

The 4th of July was a huge success and the weather was perfect! The "30th Annual 4th of July Footrace" was a huge success with over 600 participants. People of all ages participated in this annual event. Ron Ulm lead the 4th of July parade as the Grand Marshall. It seemed fitting because he was the person who started the footrace 30 years ago! The nightly entertainment was provided by "East Bay Jazz Ensemble" at the bandstand and the fireworks over the bay were once again provided by Atlas Pyro-Vision Productions of Jaffrey, NH.

Mr. Carlos Martinez did an outstanding job as Director of the Center Harbor Town Band. This was Carlos's second season as Town Band Director. We are all very proud of Carlos and the efforts of the band participants. Six entertaining performances were provided by the Town Band. We also had to other guest band appearances by "Lisa Young and Co.", "Carter Mountain Brass Band", and "Absently Minded". They were sensational!

Summer sadly draws to an end with the call of the loons far off in the distance in Center Harbor Bay. The final week of lifeguard service ended with the "Pirate Beach Party". The beach officially closed and staff packed it up for the season. We were happy to report that vandalism was low and the Center Harbor Town Beach and Park provided for a family-friendly environment throughout the season. The Boat Launch officially closed after Labor Day.

The end of the summer season winds down with summer cleanup and packing things away for next year. "Card Making" was held at the Nichols Memorial Library in September and the "Halloween Party" was held at the Fire Station with Richard and Diane Drenkhaun as volunteer hosts. It has been a good and busy year in Center Harbor!

Respectfully submitted by

Sandy Frost
Director of Parks & Recreation
10/17/08

Center Harbor Town Band

The 2008 Center Harbor Town Band Summer Concert Series was a great success! This year's accomplishment was due to the combined efforts of the instrumentalists, concert repertoire which was varied, engaging and challenging, the help of Sandy Frost, Parks & Rec. Director, the Selectmen, the Fire Department, Robin Woodaman and the ladies from town hall.

Six concerts had been scheduled including a 4th of July Parade, with three rehearsals for a total of ten group practice/performances. The first public presentation was the 4th of July Parade. An astounding "twenty-one" band members were tightly packed and in attendance. Thanks again to Charlie & Jen Hanson for providing their tractor trailer. I don't think we could have fit any more members in there! The CHTB 4th of July float was well received!

The six concerts were scheduled for the following dates:

July 11 "The Red White and Blue" *Americana music, marches, Armed Forces Salute etc...*

July 18 "Oldies but Goodies" *Big band music, love songs, "good ol' days" selections!*

July 25 "Evening at the Pops" *Popular musical selections as performed by the Boston Pops!*

August 1 "The Best of Broadway" *Classical favorite's and much beloved hits from the stage.*

August 8 "Movie Mania" *Television and movie's best tunes and themes.*

August 15 "Summer Favorites" *Popular tunes and songs!*

Due to the storms and torrential rain the evening before August 8, the fifth CHTB concert was forced to be cancelled. The August 15th concert was a combination concert of both movie tunes and summer favorites.

Last year the CHTB averaged 16 – 20 band members per concert. This year's final band roster totaled "thirty-one" members. The average number of band members per concert was 23 – 28! Since there was a considerable increase of attending band members from last year, the overall sound of the band was greatly enhanced. It is my goal to again increase these numbers exponentially for next year.

The tradition of the "sing-along" was again a great hit. Songs were sung at every concert and were a particular favorite for audience members. Jane Cormier once again added grace and beauty with her singing voice for the final concert. Mr. Roger Kelley was there as usual waving his "Tiger Rag" flag to the enjoyment of all who attended.

This year's musical selections were better than last year's due to the increase of the music purchasing budget as well as the implementation of the "In Memory of" program. There were two donations through the "In Memory of" program this year and I am sure there will be more to follow.

I have greatly enjoyed bringing wonderful music and entertainment to the town of Center Harbor and I look forward to another great year with the Center Harbor Town Band!

Respectfully submitted,

Carlos Martinez,

Center Harbor 2008 Town Band Director

CENTER HARBOR BAND SCHEDULE
SUMMER 2009

Friday, June 12	Rehearsal - C.H. Town Band 6:30-8:30 PM
Friday, June 19	Rehearsal – C.H. Town Band 6:30-8:30 PM

Friday, August 14	Center Harbor Town Band – **CONCERT** 7:00 PM
Friday, August 21	Lisa Young & Company – **CONCERT** 7:00
Friday, August 28	Monadnock Bluegrass Band – **CONCERT** 7:00
Friday, September 4	Carter Mountain Brass Band – **CONCERT** 7:00

The Center Harbor Town Band is directed by Mr. Carlos Martinez. Please call 603-785-2921 for any inquiries about the band or donations.

CENTRE HARBOR HISTORICAL SOCIETY

After a banner year in 2008 we are looking forward to 2009 as being even better.
The plant sale as always was a success. We sold out of everything. Our thanks to everyone.
In 2008 the Society enjoyed some really good programs with excellent attendance.
Each meeting had many visitors from all over the area. Two thousand and nine is shaping up to be a good one, also.
One big project for the year was John Fiske, Kay Beij , Nancy Kelley and others spent many hours taking pictures and cataloging the many articles in the museum. Andre Garcia from Meredith with the clothes.
In time you will be ale to go to web site and view each article.
The Society welcomes you to our meetings and to the open house Saturday 10 AM to 2 P M in July and August at the School House Museum at 94 Dane Road Rt. 25 B,

Executive Councilor
District One

REPORT TO THE PEOPLE OF DISTRICT ONE BY EXECUTIVE COUNCILOR, RAY BURTON

As I start my 31st and 32nd years of service to this large Northern Council District, I am hopeful and excited for new opportunities for rural America. With a new administration in Washington new economic programs are in the future. Our role at the state, county and local level is to have justified applications that will be used to stimulate job retention and creation. County and regional economic development councils coupled with community action agencies will be putting these new initiatives to work.

The NH Congressional Delegation- Senator Judd Gregg, Senator Jeanne Shaheen, Congressman Paul Hodes and Congresswoman Carol Shea Porter joining other Northeastern states of Maine, Vermont, New York and other New England Congressman can cause new resources to become available. I urge that we, at the state, county and local levels of government, step up with our concerns and let them know our needs.

2009 will start another year of the 10-year NH Highway Transportation Planning process working through the Regional Planning Commissions. Transportation Enhancement and Congestion Mitigation Air quality grants are back in play. Contact William Watson at NH DOT for details at 271-3344 or bwatson@dot.state.nh.us.

The 2009 session of the NH House and Senate will be a trying time with proposed cutbacks and how to still provide and meet constitutional and statutory needs. Be watchful of proposed legislation passing costs to county and local levels of government. Stay close to your local state senator and house members.

The Governor and Council are always looking for volunteers to serve on the dozens of boards and commissions. If you are interested please send your resume to Governor John Lynch, State House, 107 North Main Street, Concord, NH 03301 attention Jennifer Kuzma Director of Appointments/Liasion or at (603) 271-2121.
A complete list is available at the NH Secretary of State website at www.sos.nh.gov/redbook/index.htm

My office has available informational items; NH Constitutions, tourist maps, consumer handbooks, etc. I send, via email, a Monday morning schedule. Send me your email address to be added to the list if you'd like at rburton@nh.gov.

Please contact my office anytime I can be of assistance to you.

FOR TOWN ANNUAL REPORT
LAKES REGION PLANNING COMMISSION
2007 – 2008 (FY-08)

The Lakes Region continues to grow and evolve. Homes and businesses have expanded along major roadways, and many of our communities have experienced dramatic changes. The Lakes Region Planning Commission (LRPC) is an organization established to provide area communities and region with the capability to respond to and shape the pressures of change in a purposeful way. With a service area covering over 1,200 square miles in Belknap, Carroll, Grafton and Merrimack Counties, the LRPC provides a wide range of planning services to member municipalities. The Commission offers direct and support services including technical assistance, geographic information systems, transportation planning, land use, environmental planning, hazard planning and economic development. Local, state, and federal resources primarily fund the LRPC. We also maintain a regular dialogue with state agencies as a resource for the entire Lakes Region. Our overall goal is to provide support, knowledge, and leadership to the governments, businesses, and citizens of the Lakes Region.

Below are some of the focus areas and services provided on behalf of the town of Center Harbor and the region in the past fiscal year:

LOCAL

- Worked closely with local officials on the NH Route 25 Corridor Study; conducted traffic counts, and developed a corridor specific build-out analysis and completed study which included corridor improvement recommendations.
- Submitted the Center Harbor Hazard Mitigation Plan (HMP) to the NH Department of Homeland Security, in consultation with the town's emergency management director.
- Reviewed and commented on a draft cluster ordinance, as requested by local officials.
- Updated the town's Conservation Land map, upon request.
- Met with the planning board to discuss results of the town's community survey and a possible master plan update.
- Distributed many copies of the NH Planning and Land Use Regulation books to member planning boards at considerable savings.
- Organized and hosted three public Municipal Law Lectures, in cooperation with the NH Local Government Center, where practicing attorneys provide a legal perspective on local planning, zoning, and other municipal issues.

LAND USE

- Responded daily to requests from local communities for land use, transportation, environmental, and other information and guidance.
- Prepared master plans, capital improvement programs, zoning ordinances, subdivision regulations, and related services for several communities.
- Maintained circuit rider planning services for municipalities interested in assistance with development proposals.

- Developed a website of electronic documents to facilitate the outreach/education component of the *Innovative Land Use Guide* project, completed by the nine regional planning commissions and the NH Department of Environmental Services.

TRANSPORTATION

- Developed an update of the top regional transportation priorities, in cooperation with area communities, and submitted them to the NHDOT for review and consideration.
- Convened several meetings of the LRPC Transportation Advisory Committee (TAC) to enhance local involvement in transportation planning and project development.
- Conducted over 160 traffic counts around the region and prepared and updated several local road inventories, on a town-by-town basis, that will be used by the DOT and the municipalities.
- Presented testimony to the Governor's Advisory Commission on Intermodal Transportation to retain all Lakes Region projects in the state's Ten Year Plan.

HOUSING

- Completed and distributed the 2008 Development Activity in the Lakes Region report on Lakes Region residential and commercial development trends. Prepared and distributed a new development survey for 2008-2009.
- Staff became qualified by the NH Housing Finance Authority to help communities implement the new Workforce Housing Law.

ECONOMIC DEVELOPMENT

- Awarded $50,000 from the U.S. Economic Development Administration to prepare a Comprehensive Economic Development Strategy (CEDS) for the Lakes Region. An approved CEDS will provide communities with access to EDA funding for infrastructure and economic development projects.
- Continue to work with area economic development groups including Belknap County Economic Development Council, Grafton County Economic Development Council, Franklin Business and Industrial Development Corporation, and the Wentworth Economic Development Council.

NATURAL RESOURCES

- Planned and coordinated the 22nd annual household hazardous waste collection in the Lakes Region with 1,500 households from 23 communities participating at 8 collection sites. An estimated 19,000 total gallons of waste were collected, containerized, and transported to EPA approved end-of-life locations.
- Continue to provide assistance to the Pemigewasset Local River Advisory Committee.
- Participated in a number of meetings related to: source water protection, proper disposal of pharmaceuticals and personal care products, low impact development benefits to ground water, and how to implement ground water protection ordinances with municipalities.
- Continue to represent the region at meetings of the Lakes Region Household Hazardous Product Facility to explore the ways and means the facility may encourage other communities to participate.
- Created a series of web pages to provide an overview of various energy topics including: solar, geothermal, biomass, wind, and hydro-power.
- Hosted a training session for Volunteer River Assessment Program (VRAP) water quality monitors.

- Received funding assistance from the NH Department of Environmental Services to conduct the first phase of the Lakes Winnipesaukee Watershed Management Plan. Project partners include Lake Winnipesaukee Watershed Association, the University of New Hampshire, Plymouth State University, and the North Country Resource Conservation and Development Area Council.

NATURAL HAZARDS

- Secured funding from the NH Department of Homeland Security and Emergency Management (HSEM) to prepare all hazard management plans for Lakes Region communities.
- Attended training to prepare local emergency operation plans (LEOP).

REGIONAL CONCERNS

- Completed an overhaul of the LRPC website, www.lakesrpc.org, added many new features to facilitate access to access to on-line images for each municipality, recent publications, latest news, etc.
- Convened six Commission meetings that featured a diverse range of topics: NH Rail Transit Authority, the Downeaster, NH Rail Service, and Next Steps; Viewshed Management and Steep Slope Protection in the Lakes Region; Incentives for Housing, Smart Growth, and Conservation; Transportation Plans/Projects; Comprehensive Shoreland Protection Act: Its Future and Current Status.
- Reviewed project proposals through the NH Intergovernmental Review Agreement having a combined investment total greater than $55 million in the Lakes Region.

Lakes Region Household Hazardous Waste Collection
2008 Annual Report

The 2008 Lakes Region Household Hazardous Waste (HHW) Collections were conducted in a safe and efficient manner on July 26, 2008 and August 2, 2008 at eight different locations. The event was coordinated by the Lakes Region Planning Commission (LRPC). Turnout was the largest in six years with 1,659 households from twenty-three communities participating. The percentage of households that participated ranged from less than 3% in some communities to more than 7% in others; overall 4.3% of Lakes Region households participated in this year's HHW Collection.

Our survey indicates that 36% of this year's participating households had never before contributed to an HHW collection; this is consistent with what we have seen in the past. We are pleased that each year we have more new households willing to make the effort to dispose of their wastes properly.

This year an Unwanted Medications Collection was held at the Gilford site in conjunction with the Lakes Region HHW Collection. It was open to all residents and homeowners in the participating Lakes Region communities. The bulk of the costs associated with this was paid for by the Gilford Police Department and School District with funds from a two-year grant.

Nearly 20,000 gallons of HHW and more than 25,000 feet of fluorescent bulbs were disposed of properly. The estimated cost per Lakes Region household was $2.19.

The cost to communities for 2009 will remain the same as it was for 2008. The next Household Hazardous Waste Collections will be held July 25, 2009 and August 1, 2009. All residents and property owners in participating communities are encouraged to take this opportunity to safely dispose of your household hazardous products (check with your local coordinator or LRPC for details).

toll free 800-640-6486 www.cfsnh.org

Thank-you, on behalf of the children and families we serve, for the generous support you have provided to Child and Family Services. Because of your continued support we have been able to maintain our tradition of providing effective, affordable services to low-income children and their families.

We are pleased to serve Center Harbor area children and their families through our office in Laconia as well as in the home, schools and community of Center Harbor. We were able to leverage the town of Center Harbor's allocation in the amount of $3,500 to deliver a range of services valued at over $34,000. In the 12 months ending June 30, 2008, we provided the following services:

SERVICES PROVIDED TO THE RESIDENTS OF CENTER HARBOR

Services	Individuals served July 2007– June 2008	Number of Hours or Days of Service Provided July 2007 – June 2008
Adolescent Substance Abuse Treatment	6	36
Family Counseling	2	10
Individual Service Options	6	214
Total (Unduplicated)	14	260

The following are brief descriptions of the services provided to Center Harbor residents in the previous 12 months:

Adolescent Substance Abuse Treatment: Outpatient screening, assessment and counseling services for adolescents, and their families, who are experiencing problems of drug/alcohol abuse or dependence.

Child and Family Services

Family Counseling Licensed, therapist provide counseling services that utilize individual and family strengths to address a wide variety of problems including death, divorce, substance use, abuse and neglect, and other social and mental health issues. Counseling services strengthen the health of the community by assisting families in overcoming the debilitating problems that weaken the family structure and impede a child's healthy development. In addition to individual family work, throughout the year, clinicians offer group sessions and evening courses in the community to accommodate the needs of working parents.

Individual Service Options tailors a variety of therapeutic, social and community-based services to the specific needs of a child and his/her family endeavoring to create a safe, stable, positive home environment for each child. Specializes in foster care placement and foster care recruitment, training and support.

In addition to the above, the following services were available to the residents of Center Harbor.

Camp Spaulding A residential camp that provides a two-week camp experience to disadvantaged, at risk boys and girls ages 8- 14. Camp Spaulding is unique in its dedication to serving the needs of children from low and moderate- income families.

Child Health Support parent aids assist families who have abused or neglected children to help solve the problems that led to the abuse or neglect and to strengthen the family. Includes supervised visits between parents and children and practical help with parenting and household management.

Family Intervention Program provides in-home assessment, support and empowerment to NH Employment Program clients who have barriers to employment in order to help them become self-sufficient.

Family Support Programs Short term, home-based programs, which help at risk families learn parenting skills, home management and other things needed to effectively cope with the stresses of family life.

Fatherhood Project partnership between CFS and NH Department of Corrections to help incarcerated fathers to improve their parenting skills and prepare them for life with their family once they return to the community.

Group Home provides long-term residential care and emergency overnight shelter for youth between the ages of 13 and 19 who cannot live at home.

Integrated Home Based Services prevents recurrence of abuse, neglect and delinquency through provision of an integrated series of services designed to meet the specific family's needs.

Pregnancy Counseling and Adoption unbiased counseling for parents facing an unplanned pregnancy, adoption planning, domestic and international home studies and post adoption services for adoptive parents, their children and birthparents.

Student Assistance Program provides an array of school based services dedicated to ensuring positive academic and social outcomes. Focuses on substance abuse prevention, violence prevention, successful home and school partnerships, life skills training, positive peer leadership and goal development. Offers individual, family and/or group counseling and case management services. K-12.

Tracking and Supervision helps prevent placement through provision of community based family counseling, intensive supervision, and support to CHINS or delinquent youth and their families.

Transitional Living Program Safe, stable housing & support services provided to homeless youth age 18 – 21. Each participant develops a plan to acquire the skills and resources necessary to live independently within 12 – 18 months.

There is no doubt that the level of need for these services is significant. Our continued ability to meet the needs of Center Harbor residents through these programs and services is dependent on the financial support we receive from a range of sources, including this very important allocation from the town of Center Harbor, other towns in the county as well as individual and corporate donors. This year we are requesting town funding in the amount of $3,500, the same amount granted last year.

We know that New Hampshire towns, like Child and Family Services, continue to face financial challenges. We are both being asked to do more with fewer resources. That is why your support is even more important than in the past. We need your help in order to continue to offer high quality and cost effective services to the people of Center Harbor and to attract other donors so that Center Harbor citizens have access to all the programs and services available through Child and Family Services.

As always, we are happy to have someone from the staff attend a meeting of your committee to discuss our work in the community in more detail. Please contact Administrative Assistant, Cheryl Gamrecki at 518-4152 to arrange this or for further information. We appreciate your consideration of our request and look forward to partnering with you in serving the needs of Center Harbor children and families in the coming year.

Sincerely,

Michael R. Ostrowski,
President/CEO

MEREDITH PUBLIC HEALTH NURSING ASSOCIATION

MPHNA, founded in 1923, is a Medicare, Medicaid, BC/BS approved and State Licensed non-profit homecare agency that provides Skilled Nursing, Licensed Nurses Aide, Physical Therapy, Speech Therapy, Occupational Therapy, Medical Social Worker, Psychiatric Nursing, and Homemaker Service to the residents of Meredith and Center Harbor.

Board of Directors include Richard Harlow, President; Max Jenness, Vice-President; Jean Greenlaw, Secretary; Robert Laferriere, Treasurer; Janis Roberts, Asst Treasurer; Phyllis Hamblet , Thomas Pryor, Frances Secord, Virginia Stephens and James Wallace.

Our staff includes: Andréa Huertas, RN, BS, Executive Director; Malissa Priestley-Carey, RN, BS; Cherylanne Gonzalo, RN BSN; Eileen Moore ,RN, MS; Harriet Redmond, MS, ARNP; Cecile Andrews, RN; Francine Hirschfield, RN; Nancy Gallagher RN, MS; Betsy Livingstone, MSW, Joanne McLean, PT; Renee Colby, PT; Clare Persson, OT; Sheila Grad, LNA; Donna Bilodeau, LNA; Cindy Johnson, LNA; Pamela Wyatt, LNA; Dale Connolly, Office Manager; Annette Paine, Office Asst., and Aglaia Rouvalis Office Clerk.

Services in Center Harbor during 2008 include:

121 RN Home Visits
9 Weekend/Evening Visits
45 Physical Therapy
12 Occupational Therapy
244 LNA Home Visits
303 BP Readings at Monthly Clinic.

Memorial gifts were received in memory of Rebecca Anderson, Edward Barbato, John Bonner, Gil Clark, Charles Edson, Richard Dieterich, M. Dexter Hale, Bradley Hatch, Eleanor Heirrech, Roy Howe, Sr., Arlene Lamper, Richard Miller, Albert Moore, Dorothy Morten, John Parry, Leonard Schavone, Barbara Stuetzer, and Frances Taylor.

A Blood Pressure Clinic is held on the 2nd Wednesday of each month in the Cary Mead Room. This free Clinic is open to the public between 12noon and 3pm. A Registered Nurse is available at our office Monday thru Friday 9am-10am and 1pm to 2pm.

This year we also offered a flu clinic in the Cary Mead Room and provided over 70 influenza vaccines to the residents of Center Harbor.

A sincere thank you is extended to the residents of Center Harbor and our many volunteers for their continued strong support of our agency.

Andréa R. Huertas

November 5, 2008

Randy Mattson
Chair, Board of Selectmen
Town of Center Harbor
PO Box 140 36 Main Street
Center Harbor, NH 03226

Dear Mr. Mattson,

Please accept this letter as a request for funds in the upcoming fiscal year for the American Red Cross in the amount of $489 ($0.45 per capita for the 2006 Center Harbor population of 1085).

The Granite Chapter serves communities covering 52 percent of New Hampshire, including the Concord area, Lakes Region and North Country. Chapter staff and volunteers provide support and relief after a disaster; emergency preparedness training; courses in health and safety; blood drives; volunteer and youth leadership opportunities; and aid to military families. I have enclosed a brochure and our recent newsletter with additional information about the chapter.

Your Red Cross chapter has been active in and around the Center Harbor area.

- Red Cross trained volunteers make up the chapter's **Lakes Region Disaster Action Team**, which responds to disasters day or night in Center Harbor and surrounding towns. In all, the Granite Chapter has seven Disaster Action Teams with over 100 specially trained volunteers. The other teams are based in Plymouth, New London, Concord, Berlin, Littleton, and Colebrook/Pittsburg, and travel to meet the disaster needs in any of our towns.
- Fortunately there were **no home fires** or other local disasters last year in Center Harbor that required Red Cross assistance. In all, our disaster volunteers helped 98 families/individuals, a total of 264 people including 107 children in 42 towns. More than 98 percent of the local disasters were residential fires. Disaster teams were also on the scene of the NH Tornado Disaster in July 2008 giving aid to about 100 people.
- **Health and safety classes** are held at the chapter office in Concord, the Belknap Mall and communities throughout our jurisdiction. Classes include CPR, First Aid, use of AEDs, Babysitter Training, Safe on My Own (for ages 8-11), Pet First Aid and more. We are glad to arrange for Red Cross classes in Center Harbor with an enrollment of six or more participants
- **Two blood drives** were held in Center Harbor last year. Caring and generous donors gave 112 pints of life-saving blood. Last year in all the towns that we serve, there were 225 blood drives where donors gave a total of 12,749 pints of the "gift of life." NH hospitals depend on the American Red Cross for their blood supplies.

Continued →

All Red Cross assistance is free to disaster victims. The Granite Chapter is a non-profit organization that receives no annual federal funding. We depend on generous donations of time and money from the American people to support our services. An appropriation from Center Harbor would help to ensure that the American Red Cross can continue to train and prepare people for emergencies, and respond swiftly and effectively at times of disasters.

Based on two years of data, the average support provided to disaster victims is $1,300 per case. Municipal contributions are one part of our diversified funding sources. We ask all 101 towns in our area for a contribution based on the same rate per capita. Last year we received funding from one third of our towns.

Volunteers and staff of this chapter look forward to serving the community of Center Harbor in the next fiscal year. Please feel free to contact me if you need any other information (603-225-6697 x210). I or my representative would be glad to meet with you.

Sincerely,

Timothy F. Murray
Regional Executive Director

		GRAND TOTAL	$ 82,102.95

INFORMATION AND REFERRAL--CAP provides utility, landlord/tenant, legal and health counseling as well as referrals for housing, transportation and other life concerns. These support/advocacy services are not tracked.

REPORT OF NEW BEGINNINGS

On behalf of New Beginnings - A Women's Crisis Center, I would like to thank the citizens of the Town of Center Harbor for their continued support. Your 2008 allocation of one thousand dollars ($1,000.00) has enabled us to continue to provide 24-hour crisis support, outreach, and assistance to victims of domestic and sexual assault in all of Belknap County.

Our organization operates a full-time shelter, staffs a 24-hour crisis line, provides advocacy at court, hospitals and police stations, social service advocacy, and offers peer support groups for victims of domestic violence and sexual assault. We also run community and school based education programs. We are members of the Belknap County Family Violence Prevention Forum, a task force made up of community members and professionals initiated by the Governor's Commission to take a stand against domestic and sexual violence in our county.

New Beginnings had advocates and staff in Belknap County courts each working day of this budget year. New Beginnings volunteers donated over 22,221.5 service hours. All services are provided free of charge.

We are members of the state-wide NH Coalition Against Domestic and Sexual Violence, promoting statewide networking and resource sharing among domestic violence and sexual assault programs. The coalition is the evaluating body and administrator of state and federal contracts that provide some funding for member programs and advocates for legislative change that affects victims of domestic and sexual assault.

This year we are requesting $1,000 from the Town of Center Harbor to continue the support of our programs.

If you need further information please call 528-6511.

Inter-Lakes Day Care Center and Nursery School is a non-profit, fully licensed, non-denominational, tax-exempt community child care and education agency incorporated in 1971. Inter-Lakes Day Care Center promotes child development and family support for working parents through comprehensive infant, toddler, preschool, and school age developmentally appropriate curriculum, engaging children in activities that provide learning and brain development opportunities while nurturing knowledge.

Special events this year included the NH Squam Lakes Science Center's presentation on "Fur, Feathers, and Scales" for our preschoolers and Seven Upper Club and a live visit of a barred owl, a painted turtle, and an opossum which all the children were excited to see up close. A visit from the UNH Marine Mammals SeaTrek Program, second in a series of science programs that tie in with our Nature Studies and Environment curriculum was greatly enjoyed by both preschoolers and school age children, who learned about the similarities and differences between whales and themselves through interactive hands-on activities in small groups.

Inter-Lakes Day Care Center is open on a year-round basis at two sites, from 6:30am to 5:30pm, making it possible for parents to maintain employment. The Center offers a full range of services including morning preschool programs, full and part-time child care, summer and vacation enrichment camp, and USDA approved healthy snacks and hot meals. Guided by a professional staff, the children receive an educational program along with the services of health care, special needs care, dental care, and transportation for kindergarten. Through the State of New Hampshire and the Child Care Development Block Grant, sliding fee scale tuition (based on family size and income) is available for parents who are employed, in training, pursuing a degree or certificate, on job search or temporarily disabled. Our center also sponsors the Inter-Lakes Family Daycare Nutrition Program, facilitating federal reimbursement from USDA for a group of licensed home daycare providers who serve approved meals and snacks while providing care for children of working parents.

On behalf of the Board of Directors we extend our sincere thanks to the Town of Center Harbor for its continued support of our agency for residents of Center Harbor.

REPORT OF THE WINNIPESAUKEE WELLNESS CENTER

We at the Winnipesaukee Wellness Center appreciate the support given by the Town of Center Harbor. We have begun our 10th year of operation this January, and the support received from Center Harbor has given us the incentive to keep the program going for our clients.

The enrollment from Center Harbor in 2008 was 13% of our client base for the year. This number fluctuates as people come and go for the winter. The standard fee schedule is $45 monthly for the initial family member and $30 for the second. We also give scholarships to those that can't afford this fee. Again, we want to keep our costs affordable to members and provide a service to all the community. Unfortunately fees only cover approximately only 60% of operating costs.

Our program provides a medically supervised environment of exercise and weight training for those with a varying range of health conditions such as hypertension, diabetes, high cholesterol, inactivity, obesity, osteoporosis and a multitude of other medical challenges. A nurse and exercise specialist are available to evaluate each client's physical ability and provide an appropriate exercise program to meet their ability and personal goals.

We ask the Town of Center Harbor to continue support of this important health initiative for 2009. We request the town appropriate $6,000, which is $2,000 higher than last year. Our organization is experiencing rising costs with a fluctuation in membership which is lower especially during the winter months.

Our hours of operation are Monday, Wednesday and Friday 6 a.m. to 4 p.m. and we extend an invitation for you to come to visit and see our work in the community.

On behalf of the men and women of the Wellness Center I wish to express our appreciation for your assistance.

Debra Emerton, R.N.

Center Harbor Residents Receiving Services From GBH - Fiscal Year 2008

	Clients Served	Charitable Care in $
Children (0 to 17 years)	8	$83.00
Adults (18 to 59 years)	18	$983.27
Elder (60 + years)	2	$0.00
Total	**28**	**$1,066.27**

What is a Mental Health Emergency?

A mental health emergency is a sudden change in the mental status of an individual due to a one time event or as the result of a pre-existing mental illness. Events causing a mental health emergency can include loss of job, divorce, natural disaster, or the sudden loss of a loved one. Symptoms of a mental health emergency can include, but are not limited to:

- Suicidal/homicidal thoughts
- Feelings of desperation/anxiety
- Delusional thoughts

A mental health emergency can occur at any time to anyone regardless of age, gender, or class.

What are Emergency Services?

Emergency Services are mandated by the State of NH to be provided by each community mental health center, including Genesis Behavioral Health, under He-M 426.08 and RSA 135-c. These services include access to Master's level clinicians and psychiatrists by individuals, schools, police, and others 24 hour per day, 7 day per week. The goal of all ES clinicians is to reduce the consumer's acute psychiatric symptoms, reduce risk of harm to self and others, and assist in returning the individual to pre-crisis level functioning. Modes of delivery for Emergency Services include:

- 24-hour Emergency Hotline
- Crisis Stabilization
- Mobile Crisis Response
- Assessments and Evaluation
- Voluntary and Involuntary Hospitalization

How Does the Town of Center Harbor Benefit? Why should we invest in Emergency Services?

To the average person, a mental health emergency is not a familiar concept. In fact, we only get a glimpse of it when something happens that affects our community: an individual takes several volunteers hostage at a political office, a woman shoots and kills her husband and herself, another sets fire to several buildings. The role of the Genesis Emergency Services team is not simply to work with the individual in crisis, but to work with the community after it; meeting with emergency responders as they cope with a difficult case, school children as they mourn the loss of a classmate.

An investment by the Town of Center Harbor, when combined with those of other communities, will assist our Emergency Services team as they work to expand their services and awareness of those services within our community. It will help to offset the cost of staffing this program 8,760 hours a year. It will provide an added safety net for all residents of Center Harbor not just those utilizing the service. It will provide much needed support to overextended police and fire personnel.

Town of Center Harbor Allocation in Fiscal Year 2008

$1,500.00

Genesis Request for Allocation in Fiscal Year 2009

$1,500.00

Neighbors Helping Neighbors!

Celebrating 10 years dedicated to community service in 2008, CHMM Community Caregivers Inc. is a service organization with 78 volunteers and two part-time employees serving your neighbors in Center Harbor, Meredith and Moultonborough.

Community Caregivers is a 501 (c)(3) nonprofit organization dedicated to serving your neighbors by helping them to live independently with dignity. We receive no government funding and rely solely on charitable giving. Many neighbors using our services are older adults and the frail elderly. However, we are committed to providing support services for families and individuals regardless of age. In the past year, 165 Neighbors received services provided by our 78 trained Volunteers. Sixteen new volunteers were trained as Community Caregivers volunteers in December joining the ranks of other committed and active volunteers.

Community Caregivers volunteers provide services such as: transportation in their own vehicles, friendly visits and phone calls, home chores, errands, occasional meals, office support, respite for long-term family caregivers and resource referrals. This support fosters independence and improves the quality of life for many of your neighbors.

In 2008, Community Caregivers recorded more than 1000+ requests for services. Volunteers logged more than 4000+ hours dedicated to serving your neighbors and drove 30, 217 miles. Thank you to all our dedicated volunteers who live in Center Harbor, Meredith and Moultonborough.

Volunteers tell us that this is the most rewarding volunteer work they have ever done and our neighbors tell us that the Community Caregiver volunteers make a significant impact in their daily lives by helping them to remain in their homes and continue to lead independent lives. Do think about joining this dynamic team and make a difference in the lives of your neighbors!

To register for services:	**279-9100**
To make a donation or to inquire about volunteer opportunities:	**279-9275**

Carol F. Gerken
Executive Director

REPORT OF COURT APPOINTED SPECIAL ADVOCATES (CASA)

CASA of New Hampshire is a statewide private non-profit organization dedicated to recruiting, training and supervising volunteers who advocate for the best interest of abused and neglected children in New Hampshire's courts. Children who come to the attention of the courts as a result of abuse or neglect are required by federal and state law to have a guardian ad litem (GAL). Historically, attorneys have filled the role the guardian ad litem in these cases at a significant cost and with large caseloads, which unfortunately limits the time these individuals can spend on any one case or child. Since 1989, CASA volunteers have effectively filled this role and have become a powerful voice for 6,168 of New Hampshire children. Volunteers have the support of a dedicated staff person to help guide them through the complexities of these cases.

In Belknap County last year, 50 cases were open in Family Court, involving 82 abused and neglected children. 35 CASA volunteers help ensure that children's needs are met and services provided to facilitate safe reunification with biological families when possible. In cases where reunification cannot take place, the CASA volunteer works to ensure that another safe and permanent home is located.

We respectfully request consideration for inclusion in your 2009 budget in the amount of $500. Your support will directly impact abused and neglected children in your community. Together we can break the cycle of violence.

For additional information, please call 626-4600. Thank you so much for past support.

Marcia R. Sink,
President and CEO
